

## INTERNATIONAL SCIENTIFIC CONFERENCE

Prevention of Work-related Musculoskeletal Disorders;  
Work, Disability, Prevention and Integration;  
and Myofascial Pain Syndrome and Fibromyalgia Syndrome Schedule

**2023**

September  
20 - 26  
BENGALURU, INDIA

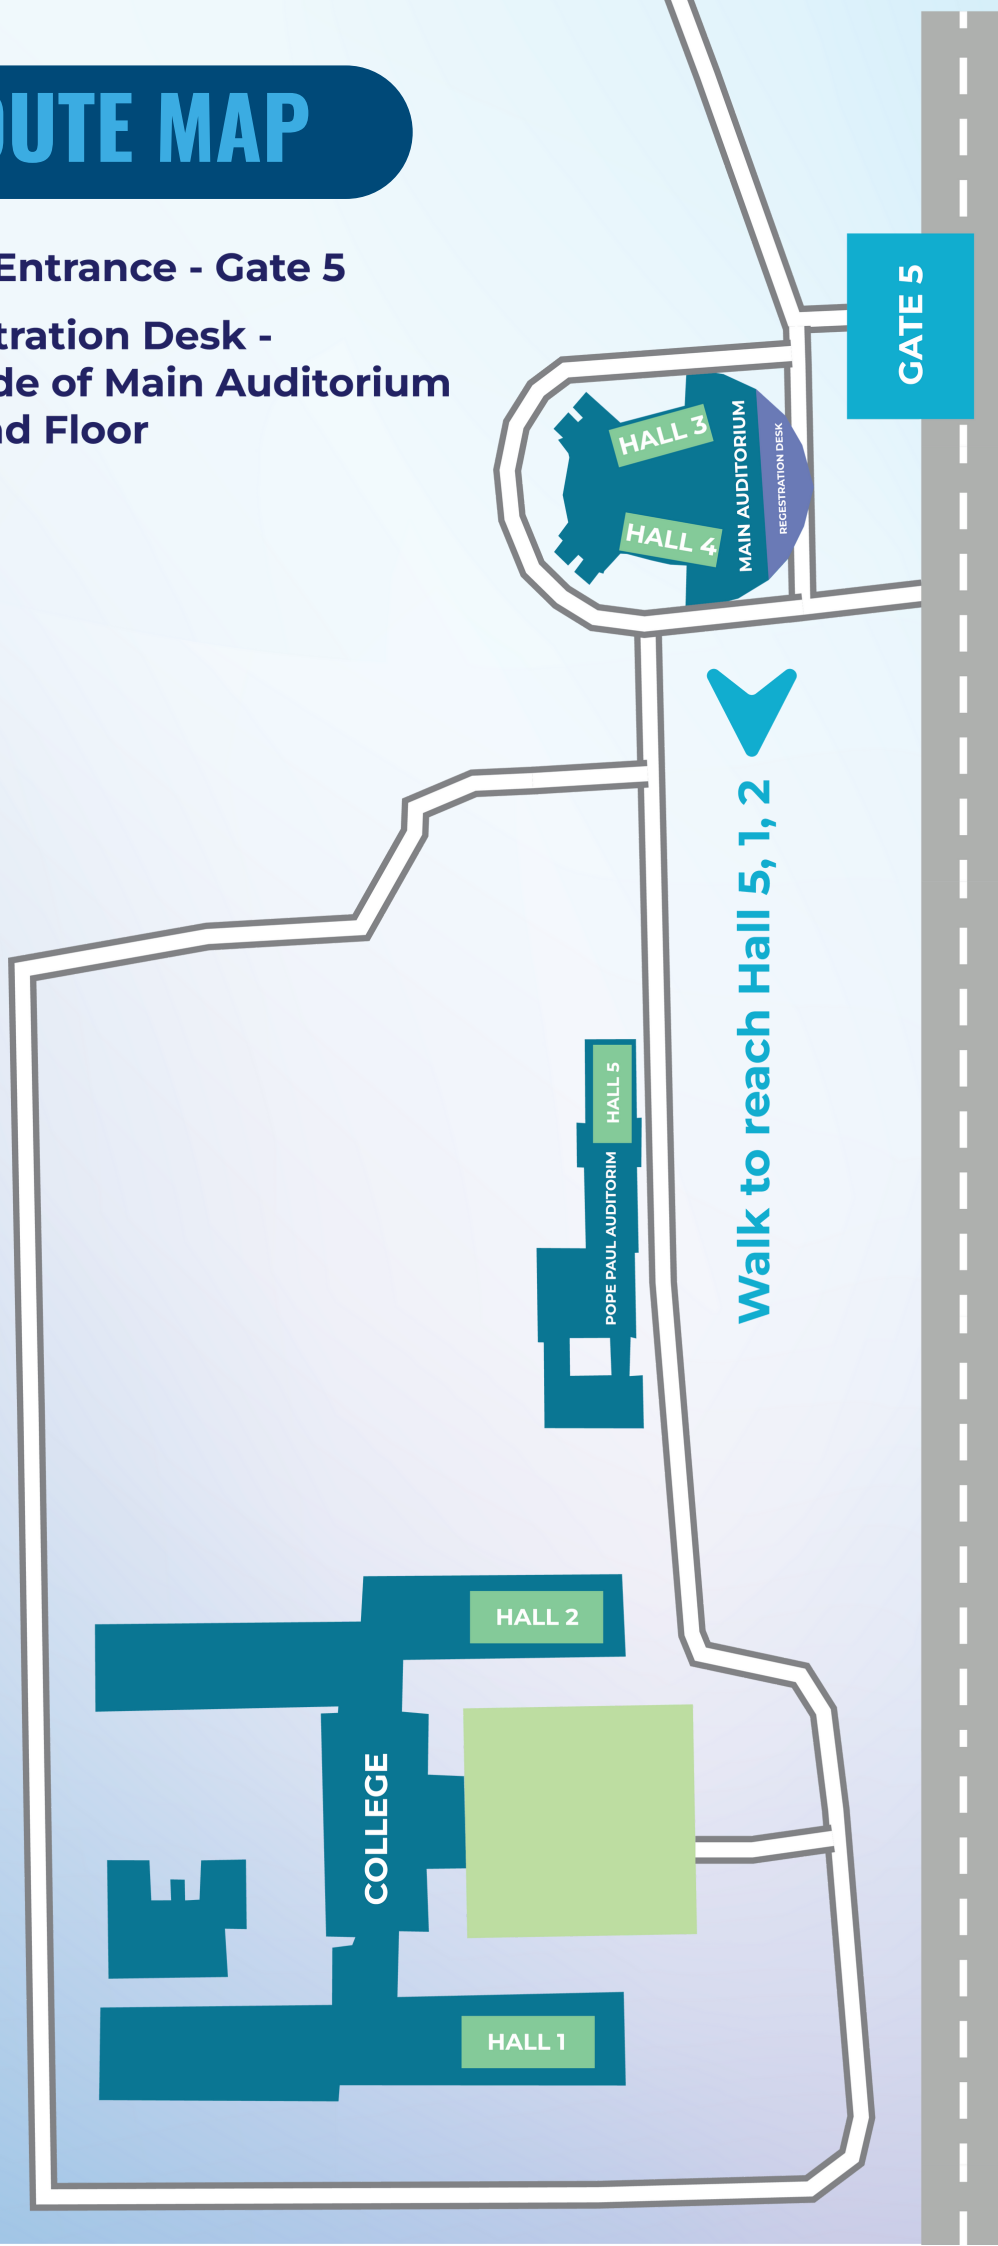

CONFERENCE  
VENUE

ST. JOHN'S MEDICAL COLLEGE  
St. John's National Academy of Health Sciences,  
Koramangala (Bengaluru)

# ROUTE MAP

- Main Entrance - Gate 5
- Registration Desk -
- Outside of Main Auditorium Ground Floor

Mahayogi Vemana Road

PREMUS, WDPI, & MYOPAIN 2023 is a place where scientists and practitioners from different cultures and backgrounds meet and interact to promote research in this field.

Immerse yourself in the captivating atmosphere of Bengaluru, where history and innovation seamlessly intertwine. The city's rich cultural heritage and vibrant ambiance provide an inspiring backdrop for the Conference. Its warm hospitality and soothing weather are not only fruitful but also comfortable, allowing you to fully engage in the Conference and create lasting memories!

**Welcome to PREMUS, WDPI & MYOPAIN 2023, the 11th International Scientific Conference on the Prevention of Work-Related Musculoskeletal Disorders, 6th Work, Disability, Prevention and Integration; and 11th Myofascial Pain Syndrome and Fibromyalgia Syndrome.**

Musculoskeletal disorders and injuries are relevant conditions across life-course and the most common work-related diseases. They are the second most common cause of disability worldwide, measured by years lived with disability, with low back pain being the most frequent condition and osteoarthritis the most common joint disorder. Challenges of managing an increased life expectancy and an ageing workforce put the occupational setting in a unique position to study significant predictors of musculoskeletal disorders and to develop preventive strategies. A multidisciplinary scientific approach focusing on lifestyle, work-related biomechanical conditions and psychosocial factors is strategic for the development of evidence-based preventive measures. High-quality epidemiological studies, combining new technologies for exposure assessment and high-resolution diagnostic imaging, are desirable to improve our knowledge of the underlying biological mechanisms of musculoskeletal conditions and the dose-response relationship. PREMUS, WDPI & MYOPAIN 2023 is a place where scientists and practitioners from different cultures and backgrounds meet and interact to promote research in this field.

**THEME: “Prevention of Musculoskeletal Disorders and Work Disability in the New Ways of Working”**

## From the Chairperson's Desk...

Dear Colleague, I cordially invite you to attend PREMUS, WDPI, & MYOPAIN 2023: The 11th PREMUS, 6th WDPI, and 11th MYOPAIN International Scientific Conference on Prevention of Work-related Musculoskeletal Disorders; Work, Disability, Prevention and Integration; and Myofascial Pain Syndrome and Fibromyalgia Syndrome to be held in Bengaluru, India from September 20-26, 2023. The theme of PREMUS, WDPI, & MYOPAIN 2023 is "Prevention of Musculoskeletal Disorders and Work Disability in the New Ways of Working", and the conference is targeted towards scientists whose research addresses musculoskeletal health issues, work disability prevention and integration, and Myofascial Pain Syndrome and Fibromyalgia Syndrome, academics and students from human factors, industrial engineering, occupational health, occupational safety, disability prevention, health policy, epidemiology, economics, medicine, ergonomics, public health, and clinicians, including physicians, physiotherapists, kinesiologists, clinical psychologists and occupational therapists.

I welcome you to join us in-person and virtually in Bengaluru, "The City of Gardens & IT Capital of India"; known for its famed, pleasant climate throughout the year, one of the fastest growing metropolises in Asia, which will be a perfect backdrop for this prestigious and scientifically exacting international conference.

Looking forward to meeting you!

**DR. DEEPAK SHARAN**

Organising Chairperson, PREMUS, WDPI, & MYOPAIN 2023 |

Chairperson, Scientific Committee on Musculoskeletal Disorders, International Commission on Occupational Health ([icohweb.org](http://icohweb.org)) |

President, International Myopain Society ([myopain.org](http://myopain.org))

# PREMUS, WDPI, MYOPAIN 2023

## SCIENTIFIC PROGRAMME SCHEDULE

20 Sep, 2023 | WED

(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 -  
16:45

 **LUNCH:**  
13:15 - 14:00

### PRE-CONFERENCE WORKSHOPS

TIME	TITLE AND SPEAKER	AUDITORIUM
09:00 - 18:00	<b>Diagnosis and Management of Work-Related Musculoskeletal Disorders</b>  Deepak Sharan, Paul Kuijer	Hall 1
09:00 - 18:00	<b>Prevention and Management of the Occupational Biomechanical Overload of the Upper Limbs using the OCRA Checklist</b>  Daniela Colombini, Enrico Occhipinti, Matteo Candoli	Hall 2
09:00 - 18:00	<b>The Fatigue Failure Mechanism in the Prevention and Management of WRMSD</b>  Sean Gallagher, Mary Barbe	Hall 3
09:00 - 18:00	<b>Taking a Pain Science Education Approach to workplace health and Wellbeing</b>  Cormac Ryan, Deepak Ravindran, Ginevra Liptan, Hannah Malyon, Sophie Stockbridge	Hall 4
09:00 - 18:00	<b>Chicken or the Egg? Myofascial Trigger Points and Central Sensitisation in Myofascial Pain Syndrome</b>  Jay Shah, John Srbely	Hall 5

# PREMUS, WDPI, MYOPAIN 2023

## SCIENTIFIC PROGRAMME SCHEDULE

21 Sep, 2023 | THU

(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 - 16:45

 **LUNCH:**  
13:15 - 14:00

### PRE-CONFERENCE WORKSHOPS

TIME	TITLE AND SPEAKER	AUDITORIUM
09:00 - 18:00	<b>How to perform an Ergonomic Workplace Analysis and select the best tools?</b>  Deepak Sharan	Hall 1
09:00 - 18:00	<b>A guide to studying simple and complex lifting tasks using updated NIOSH lifting equation (LI, CLI, VLI)</b>  Daniela Colombini, Enrico Occhipinti, Matteo Candoli	Hall 2
09:00 - 18:00	<b>Ergonomic Guidelines for Hybrid and Remote Work</b>  Kermit G Davis	Hall 3
09:00 - 18:00	<b>Long Covid in the Employee: Assessment, Management, and Return to Work</b>  Deepak Ravindran, Cormac Ryan, Hannah Malyon, Sophie Stockbridge, Douglas Gross	Hall 4
09:00 - 18:00	<b>Chicken or the Egg? Myofascial Trigger Points and Central Sensitisation in Myofascial Pain Syndrome</b>  Jay Shah, John Srbely	Hall 5

# PREMUS, WDPI, MYOPAIN 2023

## SCIENTIFIC PROGRAMME SCHEDULE

22 Sep, 2023 | FRI  
(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 - 16:45

 **LUNCH:**  
13:15 - 14:00

THEME	TITLE AND SPEAKER	AUDITORIUM
07:00 - 10:00	<b>Applications of Simple Tools for the Preliminary Assessment of Occupational Biomechanical Overload.</b>  Enrico Occhipinti, Daniela Colombini, Marco Cerbai, Enrique Alvarez, Deepak Sharan (Hybrid)	Hall 1
10:00 - 10:45	<b>Latin Questionnaire: a threshold strategy for anamnestic screening of occupational musculoskeletal disorders through specific reference groups.</b>  Daniela Colombini	Hall 1
10:45 - 11:30	<b>Closing the gap between the hospital and the workplace to enhance prevention and work participation among patients with musculoskeletal disorders - what works?</b>  Paul Kuijer	Hall 1
11:45 - 13:15	<b>Health Scores in precision occupational medicine</b>  Deepak Sharan, Ravikumar Modali	Hall 1
14:00 - 15:30	<b>Innovation Awards</b>	Hall 1
15:30 - 16:30	<b>Innovation Awards</b>	Hall 1
16:45 - 18:00	<b>Innovation Awards</b>	Hall 1

# PREMUS, WDPI, MYOPAIN 2023

## SCIENTIFIC PROGRAMME SCHEDULE

22 Sep, 2023 | FRI  
(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 - 16:45

 **LUNCH:**  
13:15 - 14:00

THEME	TITLE AND SPEAKER	AUDITORIUM
07:00 - 10:00	<b>Occupational Medicine for health professionals; an interactive workshop on Integrating Knowledge of Work and Health in Undergraduate Education</b>  Karen Nieuwenhuijsen, Paul Kuijer	Hall 2
10:00 - 10:45	<b>Preventive and Reversal Treatments for Work-Related MSDs: Lessons Learned from an Animal Model of Work (prevention easy/reversal difficult)</b>  Mary Barbe	Hall 2
10:45 - 11:30	<b>New Animal Data Demands a Fresh Look at the Role of the Immune System in Fibromyalgia</b>  Ginevra Liptan	Hall 2

# PREMUS, WDPI, MYOPAIN 2023

## SCIENTIFIC PROGRAMME SCHEDULE

22 Sep, 2023 | FRI

(The time indicated below follows IST)

 BREAK:  
11:30 - 11:45 | 16:30 - 16:45

 LUNCH:  
13:15 - 14:00

THEME	TITLE AND SPEAKER	AUDITORIUM
07:00 - 10:00	<p>It's all about the person: how to provide person-centred care in musculoskeletal practice</p> <p>Nathan Hutting</p>	Hall 3
10:00 - 10:45	<p>Pain Science Education for Workplace Health and Wellbeing</p> <p>Cormac Ryan</p>	Hall 3
10:45 - 11:30	<p>The Role of Pelvic Floor Physiotherapy in Chronic Pelvic Pain</p> <p>Alime Buyuk</p>	Hall 3

# PREMUS, WDPI, MYOPAIN 2023

22 Sep, 2023

(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 - 16:45

 **LUNCH:**  
13:15 - 14:00

### E-POSTER (VIRTUAL : 5 MIN | 15:30 - 16:30)

Workplace  
Interventions

**Mental health promotion strategies at work in hospital nursing: an integrative literature review**

Hall 2

FERNANDA MARIA DE MIRANDA

Prevention and  
Management of MSD's  
in different work  
scenarios

**Lumbar disc disease and building work: a case-control study**

Hall 2

FRANCESCO MASSONI

Prevention and  
Management of MSD's  
in different work  
scenarios

**Work-related Musculoskeletal Disorders and lower limbs: the measure of a minor occupational disease**

Hall 2

FRANCESCO MASSONI

Psychosocial factors  
in return to work (RTW)

**Recovery expectations can be assessed with single-item measures to predict return to work in individuals with musculoskeletal pain conditions**

Hall 2

JUNIE CARRIERE

## ORAL/e-POSTER PRESENTATION SCHEDULE

22 Sep, 2023 | FRI

(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 - 16:45

 **LUNCH:**  
13:15 - 14:00

### ORAL PRESENTATION (IN-PERSON : 10 MIN | 11:45 - 15:30)

THEME	TITLE AND SPEAKER	AUDITORIUM
MSD – Risk Assessment	<b>Do high levels of compressive forces on the lumbar spine due to lifting and/or carrying (“peak loads”) increase the risk of lumbar spine diseases?</b>  ANDREAS SEIDLER	Hall 2
MSD – Risk Assessment	<b>Correlation of ROSA score with musculoskeletal symptoms in remote IT Professionals</b>  ANURAG S KUMAR	Hall 2
MSD – Risk Assessment	<b>Using IMU sensors to measure movements of the trunk and upper arms in the field: experiences and challenges on data interpretation</b>  GIULIO TAN	Hall 2
MSD – Risk Assessment	<b>Estimating exposure to hand-intensive work tasks; ratings of hand activity and force compared to objective methods</b>  GUNILLA DAHLGREN	Hall 2
MSD – Risk Assessment	<b>The development of DUTCH a push-pull risk assessment method: estimating force exertion based on trolley weight</b>  REINIER KÖNEMANN	Hall 2
MSD – Risk Assessment	<b>Screening of musculoskeletal disorders among primary school children by trained primary school teachers using pGALS screening tool in Urban Bengaluru</b>  SHASHI KUMAR M	Hall 2

## ORAL/e-POSTER PRESENTATION SCHEDULE

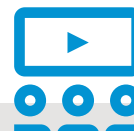

22 Sep, 2023

(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 - 16:45

 **LUNCH:**  
13:15 - 14:00

THEME	TITLE AND SPEAKER	AUDITORIUM
MSD – Risk Assessment	<b>Ergonomics Risk among Aviation Maintenance Personnel in Royal Malaysian Air Force (RMAF)</b>  SITI NURHAFIZAH SALEEZA RAMLEE	Hall 2
MSD – Risk Assessment	<b>Cardiovascular load in older workers in physically demanding occupations</b>  VIKTORIA WAHLSTRÖM	Hall 2
MSD – Risk Assessment	<b>The suitability of a musculoskeletal therapist EHR for predicting outcome</b>  MELINDA WASSELL	Hall 2

### ORAL PRESENTATION (VIRTUAL : 10 MIN | 14:00 -15:30)

Prevention and management of MSDs in different work scenarios	<b>Best practices that apply across industries</b>  CARRIE TAYLOR	Hall 2
Prevention and management of MSDs in different work scenarios	<b>Taking care of more residents than the ward average is associated with low back pain among eldercare workers in nursing homes</b>  CHRISTIAN TOLSTRUP WESTER	Hall 2

# PREMUS, WDPI, MYOPAIN 2023

## ORAL/e-POSTER PRESENTATION SCHEDULE

22 Sep, 2023

(The time indicated below follows IST)

 **BREAK:**  
11:30 - 11:45 | 16:30 - 16:45

 **LUNCH:**  
13:15 - 14:00

THEME	TITLE AND SPEAKER	AUDITORIUM
Assessment tools for risk factors of MSDs	<b>The updated guideline on surface electromyography in work-physiology</b>  BENJAMIN STEINHILBER	Hall 2
Insurance system interactions and work disability	<b>A review of readiness for work programmes adopted by ambulance services</b>  FIONA TREVELYAN	Hall 2
Assessment tools for risk factors of MSDs	<b>Resident-to-staff aggression in nursing homes: validation of a scale for residents' socio-emotional need for care using 3,849 direct observations</b>  ANDERS DEYER FROST	Hall 2
Prevention and management of MSDs in different work scenarios	<b>Physical strain and stress responses are influenced by intra-operative breaks during simulated minimally invasive surgery</b>  TESSY LUGER	Hall 2
MSD – Prevention and Management	<b>Gender equity and work-related musculoskeletal disorder prevention: a scoping review of gender differences of WMSD-related work exposures</b>  SUSAN STOCK	Hall 2

# PREMUS, WDPI, MYOPAIN 2023
